Fairy Door  
Nature Trail

Look for 10 fairy doors hidden around the park. The fairies are telling us something but it has become muddled. Find the doors and write down the letter you find behind the numbered door next to the door number below to find out what they are saying.

1	6	3	5	8

Solve the puzzle for 10 points

There are 2 Golden Doors also hidden. See if you can find the too. Where did you find them? What is behind them?

Two large empty boxes for writing answers.
